

SEALS SWIM CLUB VACATION FORM 2011

Dear Swimmers and Parents,

With the busy summer just around the corner, we need to know when you will be missing a swim meet. It is very important that you let us know. In past years, we had some unfortunate situations due to swimmers being absent and not notifying us about missing meets in advance. On several occasions, relay teams were missing swimmers. This caused the rest of the relay to miss their event. Please advise us in advance so a substitution can be made and another swimmer given an opportunity to swim.

Listed below are the swim meets for the 2011 season. Please check the meets you will be able to attend and any meets you will NOT be able to attend. **If there are any changes after May 21, 2011 contact Coach Robb at least 1 week before the meet you will be missing. If you are sick, please call Bill Moore at (775) 773-8665 Friday night before the meet, so a substitution can be made. DO NOT WAIT until the morning of the meet.**

Remember, per SSC by-laws, there is a \$25.00 fee, which will be assessed for any absence without advanced notification. **This form is due with Registration Packet.**
